

JPN, EU, USA PLC/HMI

We have worked for companies in a huge variety of fields & equipments with components of multiple brands.
Please feel free to contact us for more information.

- Beer Maker/Sugar processing control panel
- Gas Company/Oxygen generator
- Iron Pipe Manufacturer/Conveyer
- Architectural Material Maker
 - /Wastewater standard monitoring system
- Mixer Manufacturer/Fracture equipment
- Chemical Fiber Maker/Packing equipment
- Chemical & Raw Material Maker
 - /Construction of new manufacturing plant
- Gas Company/Japan and other countries
 - /Oxygen generator
- Chemical Fiber Manufacturer/in Thailand
 - /Production Equipments
- Chemical Plant/in Changshu, China
 - /Raw material manufacturing equipment
- Chemical Plant/in Nantong, China
 - /Raw material manufacturing equipment
- Gas Company/Multiple places in Japan
 - /Hydrogen gas generator
- Machine Manufacturer/for a public office
 - /Mud filtering equipment
- Iron Pipe Manufacturer/Stamping device
- Architectural Material Maker
 - /Equipment for better painting efficiency
- Metal Manufacturer/customer in Taiwan /Boiler
- Chemical Fiber Maker/Packing equipment
- Disposal Center/for a public office
 - /Garbage disposal system
- Machine Manufacturer
 - /Industrial waste incineration equipment
- Architectural Material Maker
 - /Storage carry-in/out equipment
- Metal Manufacturer/Tracking system
- Air-conditioner Manufacturer/Evacuation fan
- Paint Company/Treatment chemical instrument system
- Mixer Manufacturer/Raw materials mixer
- Gas Company/Argon gas collection and filtering system
- Machine Manufacturer/Solvent collection device
- Machine Manufacturer/Bubble treatment equipment
- Iron Pipe Manufacturer/Carriage conveyer
- Machine Manufacturer/for a public office
 - /Mud filtering equipment
- Electric Company/Gas monitoring system
- Machine Manufacturer/Work-cut machine
- Machine Manufacturer/for a public office
 - /Mud filtering equipment
- Architectural Material Maker/Water supply equipment
- Machine Manufacturer/Mills
- Machine Manufacturer/for a public office
 - /Press-dewatering equipment
- Iron Pipe Manufacturer/Welding equipment
- Metal Manufacturer/Customer in Taiwan/Electric boiler
- Gas Company/Cabinet-styled gas supply control equipmen
- Machine Manufacturer/Catalytic Converter
- Architectural Material Maker
 - /Flame manufacturing equipment
- Iron Pipe Manufacturer/Crane equipment
- Architectural Material Maker
 - /Painting material inspection device
- Chemical Company/Packing equipment
- Gas Company/Remote monitoring system
- Machine Manufacturer/Tension control device
- Chemical Company/in Singapore/Polymeric equipment
- Chemical Maker/in Jiangsu, China
 - /Control and instrument system
- Defense Agency/Alarm system
- Multiple locations/LNG supply equipment
- Machine Manufactrurer/Boiler management device
- Electric Company/Dust gathering equipment
- Electric Company/Acetic-ptyl monitoring system
- Gas Company/CO2 collection device for electric company
- Architectural Material Maker/Processing line safety measure
- Architectural Material Maker
 - /Concrete scaling & mixing equipment
- Airport in Vietnam/Water processing equipment
- Defense Agency/Chemical weapon detoxifying system
- Beer Maker/Enzyme addition system
- Fabric Manufacturer/Winder
- Architectural Material Maker/Safety measure around machines
- Metal Manufacturer/Mill cooler
- Architectural Material Maker/Camera positioning system
- Architectural Material Maker/Casting equipment
- Chemical Compay/in Thailand/Conveyer
- Water Treatment Company
 - /Central monitoring and controlling system of clear water
- Machine Manufacturer/for a public office/Deodorizer
- Beer Maker/CO2 collection equipment
- Metal Manufacturer/Laser mark device
- Gas Company/customer in Germany/Oxygen generator
- Metal Manufacturer/Goods printing system
- Metal Manufacturer/Crusher
- Gas Company/Aichi Expo./Oxygen station control system
- Tire Manufacturer/in Shenyang, China
 - /Steel cord control device
- Electronics Company/Silo anti-heating equipment
- Gas Company/customer in Korea/Oxygen generator
- Metal Manufacturer/Ash recycle processing system
- Gas Manufacturer/customer in Philipine
 - /Hydrogen generator and analyzer
- Food Company/Okara dryer plant control
- Paint Company/Pigment measure & control system
- Chemical Company/Scaling & printing system
- Whiskey Maker/Barreling measurement system
- Architectural Material Maker
 - /Materials efficiency NC Control & barcord system
- Beverage Maker/Carbon dioxide processing
- Chemical Company/Well water collection device
- For a public office/Water treatment equipment
- Food Company/Fried egg scaling and command system
